

## FROM THE EDITOR

### 1 Carving a Path to Retirement Security

## MAKE A PLAN

### 6 Bypass These Retirement Roadblocks

Life may put obstacles in your path, but you can find your way to a comfortable retirement.

### 22 It's Never Too Late to Save

Even if you got off to a slow start, you can give your savings a significant boost. Take advantage of these strategies.

### 25 Are Your Savings on Track?

Our worksheet will help you get a handle on how you're doing.

### 30 The Benefits of a Phased Retirement

Retirement doesn't have to be an all-or-nothing deal. Dialing back to part-time or occasional employment can boost both your finances and your happiness.

### 34 How Much of Your Savings Can You Afford to Give?

You can strike a balance between "giving while living" and setting enough aside to secure your own future.

### 40 Get Financial Advice at the Right Price

Fees and services vary widely among financial advisers. Here's how to assess your options.

### 43 The Power of a Trust

If you plan to transfer assets to your heirs, a trust can make the process much easier.

## INVEST

### 44 Retirement Investing at Every Age

Your investment plan needs to keep up as time passes and your goals and finances change.

### 50 Create an Income Stream With These Funds

These funds are designed to help retirees spend and invest their savings wisely.

### 53 Don't Underestimate Dividend Stocks

Over the long term, stocks that pay dividends—such as our favorites, the Kiplinger Dividend 15—have outpaced those that don't.

### 56 Refresh Your Bond Portfolio

With bonds on the rise, you can do better by being selective rather than simply investing in a bond index fund.

### 58 Choose the Best Funds in Your 401(k)

We scrutinized the largest 75 funds in employer-sponsored retirement savings plans and rated them "buy," "sell" or "hold."
