1 Charting the Course to a Smooth Retirement

MAKE A PLAN

6 Why You Need to Plan for a Long Retirement

You could be retired for three decades or more. Take these steps to avoid outliving your savings.

21 Are Your Savings on Track?

Our worksheet will help you get a handle on how you're doing.

26 Navigate the New Rules

The legislation known as SECURE Act 2.0 made changes to help you achieve a more financially secure retirement.

21

30 Before You Move, Check State Taxes

We crunched the numbers to see which states are tax-friendly for retirees and which ones aren't.

34 Should You Live in a CCRC?

Continuing-care retirement communities often have great amenities, and they provide health care for life. But are they worth the steep price?

38 Don't Forget to Update Your Estate Plan

We run through the moves you should make—and provide a planning checklist.

42 Find an Adviser Who's Right for You

The options abound, and knowing which one is best for you (and where to look) is key.

INVEST

44 Create the Best Asset Mix for Your Portfolio

How you divide your money among stocks, bonds, cash and other investments can have a big impact on results.

50 Freshen Up Your Portfolio With Our Favorite Funds

Use the list of our favorite actively managed mutual funds to reach your goals.

53 A Strong Case for Dividend Stocks

The Kiplinger Dividend 15 present compelling opportunities.

56 Make the Most of Your 401(k)

We scrutinized the largest 75 funds in employer-sponsored retirement savings plans and rated them “buy,” “sell” or “hold.”

60 The Benefits of a Family Investing Contest

A stock market competition can be a fun, low-cost way to connect the generations.

LOCK IN INCOME

64 The Path to a Worry-Free Retirement It's one thing to be financially ready to retire, but it's another to be emotionally ready.

70 Generate Income With a Reverse Mortgage You can tap home equity with a loan you don't have to repay as long as you stay in your home.

73 Social Security Strategies for Couples Maximize your benefits by using the right claiming strategy.

77 A Guide to a Secure Retirement The redesigned Social Security statement provides a wealth of information.

HEALTH CARE

80 Understand Your Medicare Choices Missing the sign-up deadline is only the first of many mistakes that could cost you.

84 Health Insurance for Early Retirees If you're retiring but not yet eligible for Medicare, consider these strategies to get coverage.

LIVE WELL

88 Eight Great Places to Retire—for Renters With housing prices and mortgage rates soaring, renting may be a better choice for many retirees who want to relocate. These eight places have appealing amenities and affordable rents.
